

South Florida Implant Study Club
Michael P. Logue, D.M.D.

“Current Case Studies in Oral Pathology”

The South Florida Study Club is proud to present:

Donald Cohen, D.M.D., M.S., M.B.A.

Dr. Cohen is the Chief of the Department of Oral & Maxillofacial Pathology and Diagnostic Sciences at the University of Florida College of Dentistry. He is a dynamic and entertaining speaker.

Dr. Cohen’s program will include an update on oral cancer screening. He will cover current equipment and screening tools on the market; their effectiveness, limitations, and areas of concern. This information will help answer the question: “Do I need any of these new screening tools in my office?”
